Nate,

I think it was recommended by David that we postpone that for the time being until we get the efforts of Vahik and his services off the ground. But I am not sure. The answer for that question should probably come from Don or the City Attorney's office.

Don, wade in on this, please.

Thanks

John

So you guys still not going? I have to go. Paul just called asking that we update her on the status of the private property dedications to the city. Anyone know?
